

Joined the company in the British Virgin Islands (BVI) "to order" is recommended if you want a company-double, or if there are specific reasons that the company was called exactly as you want. For the goal is not a company, and not like a brand name of an offshore company - and get paid as soon as possible no expense, right? Therefore, the optimal solution yavletsya buying ready-made company to the BVI. If you do decide to registirovat new company, you should consider the following points: when you register on the BVI company name should not be identical or confusingly similar to the already existing and registered the name.

Quite often when checking names first check the availability of free domain zone. COM - corporate e-mail now yavleetsya standard even for offshore jurisdictions. Company names may be registered in any language (rekomentetsya traditional English and console Limited or LTD). U.S. console Inc. and Sorp. Recently, due to a special love for the United States has become less popular .. Word "Limited", "Corporation", "Incorporated", "Societe Anonyme" or "Sociedad Anomina", "Public Limited Company", "Societe", "a Responsabilite Limitee", "Berhad", "Proprietary", "Namloze Venootschap", "Besloten Venootschap", "Aktiengesellschaft" or "Limited Life Company" or "Ltd", "Corp", "Inc", "SA", "PLC", "SARL", "Bhd", "Pty", "NV", "BV", "AG" or "LLC" will form part of the name of each company. We can also check the company name as a serial number (123456789 Limited or a combination of multiple consoles ... SA, LTD).
